

ECOESSENTIALS™ WSP

PACKING

6.25 Lbs (2.84 kg), 12.5 Lbs (5.67 kg),
25 Lbs (11.34 kg), 50 Lbs (22.68 kg), 100 Lbs (45.36 kg).

MICROENCAPSULATED MICRONUTRIENT (CALCIUM 12%)

PRODUCT FEATURES

- Plant essential nutrient Calcium (12%) microencapsulated with vegetable proteins.
- Plant essential nutrient Calcium encapsulated with vegetable derived low molecular weight peptides.
- Water soluble powder formulation that provides Calcium to correct deficiency.
- Prevents positively charged minerals from binding with negatively charged leaf and soil surfaces and adsorption into soil.
- Formulation delivers calcium efficiently into plants and vegan peptides are instantly used in nitrogen metabolism.
- Provides mineral nutrition, aids photosynthesis, increases fruit set and nitrogen metabolism.
- Supports prevention of plant diseases associated with Calcium deficiency.
- Provides nutrition to beneficial microbial population when applied in soil.
- Provides mild to moderate Herbicide damage protection effect to crops.
- Compatible and synergistic with nutrients and crop protection products.
- The product is recommended as foliar and soil applications.

PRODUCT BENEFITS

- Corrects Calcium deficiency, enhances growth and yields.
- Prevents plant diseases associated with Calcium deficiency.

PRODUCT USE RECOMMENDATIONS

- **Foliar use:** Apply 2-16 OZ/ acre (60-480 gm). Applications may be made 2-3 times during crop season. Use 24 OZ/ acre (720 gm) for deficient crops.
- **Drip use:** Apply 2-16 OZ/ acre (60-480 gm). Applications may be made 2-3 times during crop season. Use 24 OZ/acre (720 gm) for deficient crops.
- **Sprinkler use:** Apply 2-16 OZ/ acre (60-480 gm). Applications may be made 2-3 times during crop season. Use 24 OZ/ acre (720 gm) for deficient crops.
- **Container and Nursery Plants:** Apply 1-4 OZ/ Gallon (30-120 gm) water as a soil drench application.
- **Turf:** Apply 1-2 OZ per 1000 sq. ft. (30-60 gm).
- Use in conjunction with regular crop nutrition programs.

RECOMMENDED CROPS

Recommended for all crops including vegetables, fruit trees, nut trees, row crops, feed and forage crops, ornamental trees, flowers, shrubs, container plants, turf and public greens.
